Department of Russian Philology and East Studies consists of four general lines of studies: Russian Philology, Russian Studies, Sinology, East Studies (Russian and Chinese languages). Each of them has its own study programme.

Russian Philology

All courses are devided into general and specialized. Most of the specialized courses at Russian Philology line are available in Russian. You can also choose between courses provided in three different fields at BA Level: 1) Teaching Programme, 2) Culture Management Programme, and 3) Translation and Business Language Programme (usually only one programme is available), and in two fields at MA Level: Linguistic Programme and Teaching Programme (optionally). Here you can find the list of our courses:
