

Department of Russian Philology and East Studies consists of four general lines of studies: Russian Philology, Russian Studies, Sinology, East Studies (Russian and Chinese languages). Each of them has its own study programme.

Russian Studies

You can study only at BA Level. All courses are divided into general and specialized. Most of the specialized courses at Russian Studies line are available in Polish and Russian. You can also choose between courses provided in two different fields: 1) Business and Economy Programme, 2) Media Programme. Here you can find the list of our courses:
