### ABOUT US

You probably associate us with brands like Arla Apetina, Lurpak or Castello. We are part of the global Arla Foods group, which employs 19,000 people worldwide and delivers 25 trillion a glass of milk a year. Here in Gdansk, we have almost 700 employees and we plan to expand and grow even more!

### OUR HISTORY

In the 1880s, Danish and Swedish dairy farmers cooperated to boost milk efficiency and earnings. This led to the formation of Arla Foods in 2000 when these cooperatives merged. In 2008, a Gdansk team was set up for global accounting processes, which later expanded to include IT, Procurement, HR, Customer Service, and more.

### WHAT TO EXPECT

### OUR VISION

Creating the future of dairy to bring health and inspiration to the world, naturally... That is the vision of Arla. We continually improve our products, technology, and customer relationships. Arla is dedicated to shaping the dairy industry through sustainability, innovation, and high standards, aiming to lead and make a positive impact.

### OUR MISSION

Arla's mission is to secure the highest value for our farmers' milk while creating opportunities for their growth. As a milk producer-owned cooperative, our mission is to maximize milk value, secure competitive prices, and foster farm growth in line with our strategy to ensure stability and trust.

Why you should  
**COME JOIN US**

If you are a student who is looking for a practical way to **use and develop your language skills**, jump-start your professional career, while also **fulfilling the requirements of your internship**, then Arla GSS is the place for you!
